Mr. Abe. Manley

Dear Sir,
just a few words. Mr Manley
I am applying for a job with the Pullman
Co. of course I had to tell them who I
ever worked for. I played ball for you
in 1940 but I dident start until June
with you come from the Toledo Crawfords.
I told them I with you all season. If
they write you asking you if I worked
for you will you please do it for me.
Hoping that you will. Wishing you the best of
health.

Yours Very truly
